**Old Business:**

In order to maintain and upgrade the roads in budget year 2022-2023, we want to:

- Remove trees in the easement. Update on survey, certified letter to homeowners with fence or items in easement, timeline to tree removal.
- Apply gravel only where serverly needed. Widen road where needed East of 5<sup>th</sup> street.
- We want to abate the dust in Spring 2023. Due to budget restraints and the high cost of dust abatement, we will probably not be able to do this every year.

**New Business:**

- To all homeowners: please remove all vehicles, tree stumps/limbs, and decore from easement before snow season. This will allow snow from roads to be pushed to the easement and will allow full width of the roads to be plowed.

**Next Meeting:** Next meeting will be November 15, 2022 7:30 p.m. at the La Pine Senior Center.
